1913 broke 10 acres, cropped 20 acres	19 .. broke .. acres, cropped .. acres.

14. What area of the said homestead can be brought under cultivation?

Answer: Levelled about 100 acres Rough and rocky Pre-emption 60

15. What area of the said homestead is hay land and what area is swamp land?

Answer: ... acres are hay land and 15 acres are swamp land.

16. What area of the said homestead is timbered land?

Answer: ... acres.

17. Are there any special circumstances such as illness, accident or lack of means, which should be considered by the Department in dealing with your case, or any further information which in your opinion should be brought to the attention of the Department?

Answer: My little crop was failed out in 1912 also in 1913. Going to hard times and poor health I have been financially unable to make any improvements, late years, but I hope to do some more breaking this year. I do want to save the Pre-Emption as the Homestead is rather a poor quarter.

I would certainly have fully complied with the provisions of Dominion Lands Act, but for lack of means.

I have been doing my best and would be thankful for any suggestions.

COMMISSIONER

11th April, 1918.

MEMORANDUM:

Mr. Hume.

Mr. Joseph Robert Curtis obtained the N.E.¼ 24-18-3-W. 4th Meridian as a homestead on the 11th of December, 1911, and the S.E.¼ 24-18-3-W. 4th M. as a pre-emption on the 2nd of July, 1914.

According to the information on file he enlisted for active service on the 24th of September, 1914, and information has now been received from the Militia Department that Pte. Joseph Robert Curtis, #20000 of the 196th. Overseas Battalion, C.E.F. was officially reported as missing between the 23rd and 24th of April, 1916, and is for official purposes presumed to have died on or since the above date.

There is nothing on file which would enable anyone to state definitely that identity between the party who obtained entry and the party now reported as dead, are one and the same person but I think they are and the Department would be fairly safe in assuming that the identity has been established.

There is a letter on file from Mr. John Curtis, Senior of Englund, father of the deceased, wherein he describes the land held under entry by his son and the Militia Department state that this John Curtis has given as his next of kin John Curtis, Aston Woude, Northants, England.

According to the records of the Seed Grain Branch Mr. Curtis is indebted to the Department for seed grain to the extent of $41.00 and interest thereon from the 22nd of March, 1916.

Payment in connection with the pre-emption entry has not been completed.

Approved D.M.I

Under the provisions of the Orders-in-Council of the 10th of May and 14th of September, I would recommend that Crown patent be issued in the name of the deceased for the homestead and for the pre-emption when payments have been completed.

The Inspector on the 19th ultimo reported that he has not heard from Mr. Rawleigh.

In any event the entry is seriously in default in regard to cultivation, and I would suggest that final action be taken as fifty acres in crop on the preemption is not sufficient.

It would appear that only 12 or 13 acres was broken on the homestead.

Homestead
Entries of Charles Lee Rawleigh

When Mr. Rawleigh applied for patent for his homestead he claimed 62 acres of breaking, and continuous residence on the homestead from date of entry to date of application for patent, 3rd August, 1914.

It would appear that the pre-emption entry should be cancelled.

Cancellation proceedings instituted on the 21st of July, 1920, on behalf of Mr. W. C. McKenzie. In his defence the entrant claimed continuous residence from April 1910, to September 1918, seventy acres of breaking and a considerable area in crop in each year.

A Homestead Inspector on the 3rd of December, 1920, reported fifty acres cropped on the pre-emption during the years 1915, 1916, 1917, and 1918, and the area fit for cultivation 160 acres.

The Inspector adds that Mr. Rawleigh sold his homestead to Mr. Booth, and that the entrant lived on the pre-emption from 1915 to October, 1918. He sold the house which was on the pre-emption and left the place.

On the 2nd of December, 1921, the Agent wrote Mr. Rawleigh stating that, if he was unable to attend with witnesses to apply for patent, to furnish his address to Inspector Fleming at Hanna in order the he might call

of Seed Grain, Fodder & Relief Indebtedness.

Re Charles Lee Rawleigh.
W.½ 15--25--12 W.4th M.

GENERAL

As per statement attached.

The Licensee in his application for Seed Grain stated he had 15 acres under cultivation on the S.W.¼ and 25 acres on the N.W.¼, to seed which he obtained 40 bushels of wheat and 40 bushels of oats.

PROVINCIAL-FEDERAL

50 - 50 Basis.

No Record.

S.W.¼ 15-25-12-W.4th M.

This was the Licensee's homestead, patent to which was issued in his name on the 16th January, 1915, and according to an Abstract of Title drawn under date of the 10th September, 1921, Ira M. Booth was then registered owner of the land, and the liens were registered under dates of the 29th March, 1916, and the 17th April, 1916.

A Homestead Inspector's report made on the 17th February, 1927, indicates that the soil is clay loam with a total area fit for cultivation and there are no improvements on the quarter-section. The land is valued at $5.00 per acre.

N.W.¼ 15-25-12-W.4th M.

This was the Licensee's pre-emption which was cancelled on the 1st March, 1923.

On the 20th June last John M. Currie obtained soldier grant entry for this land and executed the customary agreement to assume the seed grain, fodder and relief liability, and although at that time the provisions allowing a settler the privilege of applying for an adjustment were in force, the Agent apparently inadvertently overlooked giving the entrant that privilege.

Dear Sir:

Re: S.W.¼ & S.E.¼ 15-25-12-W4

This Department has an old account against the above noted land for advances of relief, fodder and seed grain to Chas. Lee Rawleigh in 1915 and 1916. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Encl.

Title to this land is presently vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease issued by this department. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of Chas. Lee Rawleigh
S.W. 15-25-12 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $293.60 were advanced to Chas. Lee Rawleigh on the security of the N.½ 15-25-12 W. 4th. Order in Council P.C. 205/108 dated the 16th of January, 1930 authorized that the N.W. 15-25-12 W. 4th Mer. be released as security for the liens and the balance of the indebtedness retained as a charge against the S.W. 15-25-12 W. 4th Mer. The present standing of this account is:-

Principal	Interest	Total
$293.60	$534.93	$828.53

Patent was issued in the name of Charles Lee Rawleigh for the S.W. 15-25-12 W. 4th on the 16th of January, 1915; later becoming subject to the liens.

In reply to our questionaire of the 30th of June, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease issued by this department. This land is located in that part of the Province designated Special areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing".

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.G. Gilchrist.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

I beg to acknowledge the receipt of your letter of the 9th instant and in reply am enclosing herewith, for your information, a copy of an Order-in-Council dated the 21st October last, outlining the arrangement with the Provinces of Saskatchewan and Alberta regarding the removal of settlers who have suffered from crop failures, to more suitable land in any one of the land districts of Prince Albert, Battleford, Edmonton, Peace River or Grande Prairie, where the prospects for a reasonable return for their labour seem more assured.

I beg to inform you that the Order-in-Council of the 22nd October, 1917, has been rescinded, and you will find enclosed herewith a copy of a new Order-in-Council, passed on the 4th ult. last, which will now govern.

You will observe that the privilege of a transfer is only extended to a settler who homesteaded in the "Dry Area" and who obtained patent for his homestead prior to the present war. Therefore, as [illegible], your homestead is still unpatented, you are not entitled to a transfer.

About a year ago I wrote the Dept re The Soldiers Grant abandoning my homestead but as I left the district I could not follow up instructions sent by the Dept, on account of delay of the mail. So I had to drop the matter.

But I now wish to take up the matter of abandoning my claims as I am going to leave the district in the fall as it is too dry, we cannot plow or my crop and it would be of no use putting in a crop anyway as it is too dry.

Hoping you will give this matter your best consideration. I am Yours Truly

Re: Account of Elmer Miller
N.E. 23-[illegible]-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 and 1921 seed grain amounting to $100.25 was advanced to Elmer Miller on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 1[illegible].25	$ 218.40	$ 318.65

The N.E. 23-23-11-W4 was formerly the homestead entry of the debtor on which security he obtained advances of seed grain in 1920 and 1921. He later abandoned his homestead and his entry was cancelled on the 16th of September 1924 and it is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 19th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote us follows:

"This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

MEMORANDUM

Mr. Hume.

S.W.¼ 25-3-11-W. 4th M.
Homestead of Albert R. Taylor.
Entry granted October 1912.

Please say whether application should be made to Council for the exemption of further residence in this case.

Cancellation proceedings are pending on behalf of the Department since September 1919 and according to the evidence furnished two terms of six months residence was performed up to April ~~1920~~, and a further period of three months and twenty-four days ending the 16th March, 1917.

The Deputy Minister of the Department of Public Health for the Province of Alberta writes in connection with the entrant's physical condition as follows:

"I have received a communication from "the Assistant Secretary of your Department "in regard to the above named. It would "appear that Mr. Taylor has completed the "necessary cultivation on his homestead, but "has not completed his residence, and a "Medical Certificate, stating why he did "not perform his full residence duties is "necessary, for him to secure his homestead.

"Mr. Taylor, until lately, was an "inmate of the Providence Hospital at "Daysland, placed in there as an incurable. "Recently, on account of congestion in that "hospital, he has been transferred to the "Macleod Incurable Hospital at Macleod. "This man, who is now some seventy years of "age, is afflicted with apoplexy, and, in "our opinion, will not again be able to "perform any manual duties, as he is classed "as permanently incurable."

Re: Account of Albert R. Taylor (deceased)
S.W. 25-3-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1919 relief and seed grain amounting to $156.70 were advanced to Albert R. Taylor on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 156.70	$ 316.47	$ 473.17

The S.W. 25-3-11-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 19th of June 1925.

The land has since been re-entered upon by another party and patent was issued in his name on the 20th of August 1941. There is no record of the liens having ever been registered against the land.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Dear Sir:

Re: N.E. 6-30-5-W4

This Department has an old account against the above noted land for advances of seed grain to Thomas George White in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Re: Account of Thomas Geo. White
N.E. 6-30-5-W4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $200.00 was advanced to Thomas Geo White on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$200.00	$464.80	$664.80

The N.E. 6-30-5-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1919. His entry was later cancelled and it is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 16th of May, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land located in a community pasture. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly descri ed in the attached report, be cancelled without the requirement of any payment.

Dear Sir.,

re P.F. Gallagher.

This party homesteaded and pre-empted the N.½ 27-29-4 W 4 Alberta, and we are just advised by our Local Agent at Oyen and Alsask that Gallagher has skipped out, and does not intend to return.

We understand that he has gone to the states but have been unable so far to get his correct address. As the homestead entry will probably be cancelled, and the improvements sold, we would appreciate it very much if you would make a notation in your file to the effect that we have a large claim for lumber for the erection of the buildings on this land. We are writing our Agent for a statement. We might say that the amount due us is in the neighborhood of $400.00. The statement will be forwarded to you as soon as received. Please let us hear from you as soon as you have any definite information in the matter and oblige.

MEMORANDUM.

Mr. Hume.

This is a case of a claim of $33.80 for work done upon the homestead now cancelled, and the applicant stated that the homesteader had left the country, and according to the Beaver Lumber Company, who also have a claim, he has gone back to the States, and his whereabouts are unknown.

The claimant was told that on his filing an assignment or order from the Court authorizing the Department to pay, his request would receive consideration.

The Attorney General, Edmonton, now writes that he is not quite clear as to the nature of the order from the Court which would authorize the Department to pay the amount, and says a court order would be acceptable.

The Deputy Minister's instructions of the 3rd February last called for an order from the proper Court for the payment of the amount into the Court for delivery to whomsoever may establish his right thereto.

Are we to advise the Attorney General that upon the Court being satisfied that the claim is good, either after the applicant has entered suit or obtained judgment, or otherwise, that the Department will consider the claim?

Sir,-

NW ¼ Sec. 27 Tp. 29 Rge. 4 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Matt Klassen, Esq.,

Cyen, Alta.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

P.S. With regard to your desire to secure the S½ 28-29-4-W.4th M., I am to say that this land is held under pre-emption entry by Mr.J.Mahaffey and is not available for disposition.

Your alternative choice, the S½ 5-30-4-W.4th, is also held under homestead entry by Mr. Gordon Andrew Affleck, and is also not available.

It is further noted that on the 31st March, 1927, you were indebted to the Department for Seed Grain and Relief to the amount of $986.22. Therefore, any land granted you under the authority of this letter will be subject to your indebtedness.

Re: Account of Matt Klassen,
N.½ 27-29-4-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1920 seed grain, fodder and relief amounting to $639.65 were advanced to Matt Klassen on the security of the above mentioned land. A payment of $10.60 was received in 1925 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 639.65	$ 1,259.24	$ 1,898.89

Patent was issued in the name of Matt Klassen for the N.W. 27-29-4-W.4th on the 18th of January, 1917, subject to the 1915 liens . The N.E. 27-29-4-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The North East quarter is unalienated Crown land while the title to the North West quarter is presently vested in this Department having been acquired through Tax Recovery proceedings. This land is occupied at present under Cultivation Lease as issued by the Department, and in view of it being situated in that part of the Province designated Special Areas there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Dear Sir:

I have your letter of the 23rd of February, 1934, relative to your enquiry as to Joseph L. Patrin having homesteaded in Calgary, Alberta.

In reply, I wish to inform you that we are unable to trace a record of entry under the Soldiers' Land Act. We do, however, have a record of one Joseph Nicholas Patrin having applied for homestead entry for the S.E.¼ of Section 24, Township 26, Range 4, West of the 4th Meridian, Province of Alberta, and the S.W.¼ of 24 as a pre-emption entry on the 14th of July, 1910. He gave as his Country of Birth: United States of America; Sub-division of Country of Birth: Wisconsin. He also gave his age as 35 years and stated that his family consisted of his wife and twelve children.

Letters Patent for the homestead, the S.E.¼ 24, were issued in his name on the 30th of December, 1915. His address at that time was Cyon, Alberta.

Mr. Patrin died on or about the 23rd of February, 1916, and Letters Patent for his pre-emption, the S.W.¼ of 24, were issued on the 8th of November, 1916, in the name of his son, Peter Anthony Patrin, in his capacity of personal representative of his father. The address given at this time was Chotcka, Alberta.
